RE: Request for Credit Application

As a matter of company policy, Gallo does not fill out or sign Credit applications. In lieu of filling out credit applications, it is our policy to provide a credit trade reference letter that you are in receipt of. This letter is signed by our Vice President Global Sourcing. Other employees of Gallo are not authorized to fill out or sign a credit application on behalf of the company. We notify and authorize our bank to provide vendors with our credit worthiness information when we have provided the approved vendor with our credit/trade reference letter. You are welcome to check with our references as well as making an inquiry on Dunn and Bradstreet's website.

Sincerely,

Devinder Singh
V. P. Global Sourcing
