

# SUPPLIER INFORMATION PORTAL

## Introduction and Overview

Dear Supplier,

Welcome to General Electric Lighting Supplier Information Portal! This portal provides information for all suppliers that are conducting business with General Electric Lighting via the Ariba Network (AN). Your customer selected SAP Ariba as their electronic transaction provider and will use the Ariba Network to exchange business documents with suppliers, including purchase orders, purchase order confirmations and advance shipment notices, invoices, and credit memos.

Please note, **General Electric Lighting has paid 100% of the supplier side fees.**

**Welcome to Ariba Network!**

Welcome aboard! The Ariba Network is the leading business network with over two millions trading partners in 190 countries transacting more than 950 billion USD annually. Join the Ariba Network to transact electronically with your customers and find new business opportunities.

First, check out our videos to learn more about the value Ariba Network offers to sellers:

- [Easy Seller Enablement with Ariba - To learn more about Ariba Network Value](#)
- [Collaboration via the Ariba Network](#)
- [Sell simple with SAP Ariba](#)

### Getting started

- **Register on the Ariba Network.** Follow the instructions and use the activation link from the *Trading Relationship Request* email communication, received from [ordersender-prod@ansmtp.ariba.com](mailto:ordersender-prod@ansmtp.ariba.com). Please contact our team in case you have not received this email.
- **Configure your Ariba account.** Ensure that your account is configured according to the business needs occurring between your company and your customer. Refer to the [Account Configuration Guide](#) for more information.
- **Integrated Suppliers - Create a Test account.** Creating a Test account will allow you to become familiar with General Electric Lighting's processes in a Test environment prior to moving into the production environment.
- **Review training materials.** Located below you will find [General Electric Lighting's](#) training materials to assist you with the tasks listed above. You will be invited to attend a training in the coming weeks if you need more help with these processes.

### Account Access

- Login to the Ariba Network: <http://supplier.ariba.com>

### Supplier Support

#### During your onboarding on the Ariba Network

- **Ariba Network Enablement Support**  
Please contact [GECurrentOnboarding@ariba.com](mailto:GECurrentOnboarding@ariba.com) for any questions regarding registration, configuration, or general Ariba Network questions.
- **General Electric Lighting Business Process Support**  
Please contact the **General Electric Lighting** Supplier Enablement team at [aribasupport.current@ge.com](mailto:aribasupport.current@ge.com) for business-related questions.

### After your first successful transaction

If you need assistance after having successfully submitted your first electronic transaction, please contact our Support Team:

1. Click on *Support* at the bottom of the *Help Center*.
2. Search for any topic you would like to know more about, or click on *Get help by phone* if you need immediate help.
3. If none of the articles answers your query, click on *Create Online Service Request* button.
4. Completely fill out the web form and submit.

### EDI/cXML Support Contact

If you are transacting POs to **General Electric Lighting** via EDI or cXML, you can get direct assistance from SAP Ariba. Send an email to our **technical team** at [AskAribaTech@ariba.com](mailto:AskAribaTech@ariba.com). We will respond to your email directly. Please ensure that the Subject field of the email references **General Electric Lighting**.

## Go further with your Ariba Network account

### Ariba Discovery

Ariba Discovery is the business matchmaking service that helps you find leads among thousands of large companies on the Ariba Network. Every day, thousands of buyers from the world's leading companies use this buyer-seller matching service while sourcing goods and services. After your registration, you're automatically notified whenever a buyer is looking for the kind of products or services you offer.

Ariba Discovery can help you increase sales by:

- Matching you with buyers that want what you offer
- Automatically sending you high quality leads
- Making your bidding process more efficient
- Helping you comply with companies' purchasing processes
- Boosting awareness among your target customers

Go to <http://www.ariba.com/solutions/sell/discovery-for-sellers> to discover new business opportunities.
