Welcome to the Georgia Pacific Supplier Information Portal

This portal provides information for all suppliers that are conducting business with Georgia Pacific via Ariba Network.

As part of Georgia Pacific's ongoing policy to continuously improve efficiency and service quality to suppliers, they are currently implementing the next stage of their overall electronic strategy to move away from paper based transactions. If during onboarding you have business-related questions, those can be sent to GP_Supplier_Enablement@gapac.com or if you have Ariba Network functional questions, those can be sent to GeorgiaPacificEnablement@ariba.com Many of your questions may already be answered in the topics below.

INTEGRATION

Ariba Network offers the possibility to integrate with your back-end ERP system via cXML or EDI, for automatic exchange of electronic documents. You can access integration guides from the resource list below. Integrated suppliers should also reference the Ariba Network Supplier Guide to configure a test account; testing is required for cXML and EDI transactions.
