Welcome to the DowDuPont Supplier Information Portal

This portal provides information for all suppliers that are conducting business with DowDuPont via Ariba Network.

As part of DowDuPont's ongoing policy to continuously improve efficiency and service quality to suppliers, they are currently implementing the next stage of their overall electronic strategy to move away from paper-based transactions. If during onboarding you have business-related questions, those can be sent to FUDARBA@Dow.com or if you have Ariba Network functional questions, those can be sent to DowDuPontEnablementNA@ariba.com (NAMER Suppliers), DowDuPontEnablementAPJ@ariba.com (APJ Suppliers), or DowDuPontEnablementEU@ariba.com (EMEA Suppliers). Many of your questions may already be answered in the topics below.

DowDuPont Process & Configuration Guides

CATALOG

Catalogs are text files stored on Ariba Network (CIF) or on your own website (PunchOut) that describe your products, services, and prices. This allows customers to easily place orders with your company. You can access catalog guides and documentation from the resource list below.

- CIF Catalog Guide
- CIF Template
- PunchOut Catalog Guide
- Short Presentation: Catalog Management

INTEGRATION

Ariba Network offers the possibility to integrate with your back-end ERP system via cXML or EDI, for automatic exchange of electronic documents. You can access integration guides from the resource list below. Integrated suppliers should also reference the Ariba Network Supplier Guide to configure a test account; testing is required for cXML and EDI transactions.

- DowDuPont cXML Specifications
- DowDuPont EDI Specifications
- DowDuPont CIG Specifications
- DowDuPont site ID Listing
- Ariba Network Supplier Guide for DowDuPont

Please send integration or catalog enablement questions to DowDuPontEnablementNA@ariba.com (North American Suppliers) or DowDuPontEnablementEU@ariba.com (European Suppliers) for expert support
