

Welcome to the Occidental Supplier Information Portal

This portal provides information for all suppliers that are conducting business with Occidental Petroleum via Ariba Network.

As part of Occidental Petroleum's ongoing strategy to improve efficiency and service quality to suppliers, they are currently implementing the next stage of their overall electronic strategy to move away from paper-based transactions. If during onboarding you have business-related questions, please send an email to SupplierSupport@oxy.com or AP_USA_Supplierhelpdesk@oxy.com or if you have Ariba Network functional questions, those can be sent to <https://connectsupport.ariba.com/sites/Company?ANID=AN01047570621NAM&h=luF1OaKrHOfpSe80WlJrw#Enablement-Inquiry>. Many of your questions may already be answered in the topics below. What information are you looking for?

Occidental Process & Configuration Guides

INTEGRATION

Ariba Network offers the possibility to integrate with your back-end ERP system via cXML or EDI, for automatic exchange of electronic documents. You can access integration guides from the resource list below. Integrated suppliers should also reference the Ariba Network Supplier Guide to configure a test account; testing is required for cXML and EDI transactions.
